REQUEST FOR REFUND

Sir:

Applicants respectfully request a refund in the amount of \$620.00 which was erroneously charged to Deposit Account No. 502306 on the September 2005 Monthly Statement of Account.

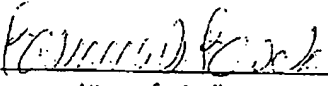

Applicants filed a Notice of Appeal along with an Extension of Time on September 14, 2005, and authorized the Director of the US Patent and Trademark Office to charge Deposit Account No. 502306 in the amount of \$620.00. The fees for the Notice of Appeal (\$500.00) and one-month Extension of Time (\$120.00) were posted on September 20, 2005, by the U.S. Patent and Trademark Office according to Applicants' September Monthly Statements of Deposit Account (line items highlighted on attached copies).

Applicants received a Final Office Action dated March 14, 2005. On May 15, 2005, Applicants filed a Response to Final Office Action. Applicants' representative, Brenna Brock, discussed the status of the Application with Examiner Dwain Craig on several occasions prior to September 14. During each conversation, Applicants' representative was told that the claims had been allowed and a Notice of Allowance had been signed by the Examiner. However, as of September 14, 2005, the Notice of Allowance had not been received from the USPTO. Accordingly, in order to ensure that the application was not

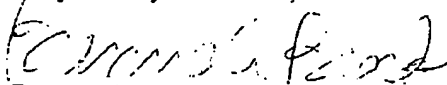

abandoned, Applicants filed a Notice of Appeal, along with an Extension of Time, on September 14, 2005. The next day, Applicants received a phone call from Examiner Craig explaining that mailing the Notice of Allowance had been inadvertently delayed. The Notice of Allowance was mailed the next day, September 16, 2005.

Thus, delays in the Patent Office resulted in the Notice of Allowance not being mailed until two days after the expiration of the period for reply. But for these delays in the Patent Office, the Notice of Allowance would have been mailed before the expiration of the period for reply and Applicants would not have filed the Notice of Appeal to ensure that the Application was not abandoned. Accordingly, Applicants respectfully request a refund of fees incurred in filing the Notice of Appeal and extension of time.

Applicants therefore request a refund in the amount of the \$620.00. If there are any questions regarding this request, please call Applicants' attorney at (512) 439-5087. This request is submitted in duplicate.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: COMMISSIONER FOR PATENTS, P. O. Box 1450, Alexandria, VA 22313-1450, on <u>November 1, 2005</u> .

PETITION FOR EXTENSION OF TIME

Dear Sir:

Applicant respectfully petitions for a one-month extension of time within which to respond to the March 14, 2005, outstanding Final Office Action, such extension allowing the undersigned until September 14, 2005 to respond.

The Final Office Action included form paragraph 7.39, which sets forth a variable reply period. The two-month period for responding to the Final Office Action expired on May 16, 2005 (May 16 being the first weekday following May 14, which fell on a Saturday). Applicant filed a response to the Final Office Action on May 16, 2005. Since Applicant's response was filed within two months of the mailing date of the Final Office Action and no advisory action was received in the three month period following the mailing date of the Final Office Action, the shortened statutory reply should be extended until the mailing date of an advisory action. For this reason, Applicants believe that only a one month extension of time is necessary.

Please charge the amount of \$120.00, as well as any other fees necessary to prevent the abandonment of the application, to Deposit Account No. 502306, as set forth in the enclosed transmittal letter.
